How do you feel about the world? Do you think the world is getting better or worse?

What does it mean to live how God created you to live? If we believe God's way of life is the best way to live, why is it so hard for us to do it?

Genesis 2:9

9 And the LORD God made all kinds of trees grow out of the ground—trees that were pleasing to the eye and good for food. In the middle of the garden were the tree of life and the tree of the knowledge of good and evil.

Do you believe that the Bible's Story of creation is not just something that happened but actually something that is still happening? Are we faced with the same choices as Adam and Eve?

How can we help God in taking care of the world? Are you helping out?

Genesis 2:15

15 The LORD God took the man and put him in the Garden of Eden to work it and take care of it.

Do you think what we do today matters for eternity? Are the choices you're making now shaping you into the kind of person you'll be forever?

Does your faith help you understand the world we live in? Does it make your life easier or more difficult on a day to day basis?

What are some places in the world where you see God? Are you leaving some of your own fingerprints on the world? What are they?

What does it mean to be partnering with God in making this world the kind of place he intended it to be? Are you partnering with God?

Revelation 22:2

2 down the middle of the great street of the city. On each side of the river stood the tree of life, bearing twelve crops of fruit, yielding its fruit every month. And the leaves of the tree are for the healing of the nations.

The trees in the film were planted without proper permission from city officials. Guerilla planting of trees on city property is generally frowned upon and can result in severe fines.
